Recreation Center and Library Weekend Hours

The Library and Recreation Center will be open this weekend if you need to charge a device or need a warm place to temporarily shelter. Both facilities also have WiFi service. Residents that need a warming center overnight should contact Public Safety or go to the Public Safety Department. They will make arrangements to find the nearest overnight warming center location. The City does not have cots so can't provide overnight accommodations. Public Safety can be reached at 248.541.1180.

Saturday

Library 10 a.m. - 5 p.m.

Recreation Center 8:30 a.m. - 3:30 p.m.

Sunday

Library 1 - 5 p.m.

Recreation Center 9 a.m. - 3:30 p.m.

Stormwater 101 Presentation

As development continues, stormwater pollution is a greater threat to our freshwater

resources more than ever. Learn about our Clinton River watershed, threats to water quality, and strategies used to help manage stormwater runoff to reduce pollution in our freshwater sources. This free presentation by the Clinton River Watershed Council will take place on Monday, March 13th at 7 p.m. in the Library. No pre-registration is required.

City Ordinance Prohibits Placing "Free Items" at the Curb

With the popularity of NextDoor there has been an increase in items placed at the curb for free pick up. The placement of any item at the curb before 4 p.m. the day before the regular rubbish pick up day is prohibited by City ordinance. Placing items at the curb early encourages scavenging, attracts rodents and is not in keeping with our community that takes pride in its beautiful homes and tree-lined streets.

"Pulse of the Region" Survey on Pedestrian and Bicycle Safety

SEMCOG and its partner organization, the Metropolitan Affairs Coalition (MAC), have launched a survey to gather residents' perceptions on pedestrian and bicycle safety in Southeast Michigan. Citizens are asked to take this quick survey. Responses will help them prioritize a public education campaign that will kick off in May.
