Library and Pool Parking Restrictions

As the construction at Burton School winds down, parking at the Recreation Center/Library parking lot will be restricted this weekend. No parking will be allowed in the Burton School parking areas (Nadine lot and Scotia lot) to make room for final construction work and movers. Storage trailers will be parked in the lot for unloading furniture and other building supplies. Residents are asked to not park on the street if possible so semi-trucks bringing the trailers will have clear access to the school.

Friends of the Library Ice Cream Social/Membership Drive

On Saturday, September 16th from 1 - 4 p.m. the Huntington Woods Library and the Friends of the Library will host an ice cream social and membership drive. The Library will be open to showcase all the wonderful free amenities available with just a library card. Register for a library card and explore stations to learn more about the programs and services available throughout the library, many of which are sponsored by the Friends. Bring the kids because there will be musicians, balloons, a magician, Pete the Cat, and of course, ice cream! Become a member of the Friends of the Library for only \$35 during the event and receive a special gift. Grab your neighbors and come rediscover your library and find out why the Library and the Friends of the Library are the perfect double scoop!

Looking Ahead

Recycling, rubbish and yard waste pick up will be delayed one day for the Labor Day holiday.

All City offices closed Monday, September 4th for Labor Day.

Historic District Commission meeting on September 6th canceled due to lack of business.
